The Newland Christian Trust
Report of the Trustees
for the Year Ended 31st December 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Activities, achievements and public benefit

The activity of the Charity is determined by its Articles of Association. These were revised in 2020 (accepted on 27th July 2020 and registered with the Charity Commission on 5th August 2020) to reflect the departure of 'the Church' from the Church of England and its establishment as a network of three Anglican Churches, two of which are affiliated to the Anglican Mission in England. This change included assuming responsibility for the employment of eleven members of staff. The revised Articles of Association state that 'the Church's objects are the advancement of the Christian religion in accordance with the Statement of Faith'. The Statement of Faith is based on the Global Anglican Future Conference (GAFCON) Jerusalem Declaration of 2008 (<https://www.gafcon.org/about/jerusalem-declaration>). This departure from the Church of England was planned thoroughly and carefully over a number of years and had the overwhelming support of the Trustees and members. Key activity during 2020 was to establish the structures, policies, processes and ways of working of the new network of Churches.

During the year under review, and despite the challenges posed by the COVID pandemic, the Charity has fulfilled its objectives in a number of ways in order to carry out its aims for the public benefit. It has continued its work with children, students, younger adults and seniors of all ages and backgrounds. A key development during the reporting period has been the establishment of a ministry amongst internationals including those from a Muslim background. A further area of growth has been the establishment of a compassion ministry which, amongst other things, distributes food and financial gifts/loans to those in need. All these activities are open to anyone who wishes to participate and are aimed at improving their spiritual and social welfare. In order to undertake all this work, the Charity provides the financial support for the employment of men and women, who lead work in these areas for the Christ Church Network of Churches. The Charity also relies on its volunteers who contribute their time, skills, experience as well as financially.

The activity of the Charity takes place within the surrounding community where strong links and relationships - both within and without the Churches - are well established. Two of the Network Churches hold Sunday services in local schools. The third service is held in a small church in the midst of a housing estate, with significant social deprivation. Mid-week activities take place in The Newland Christian Centre (548-550 Beverley Road, Hull). The provision of this building is one of the primary ways in which the Charity provides support. The renovation of this building was completed in February 2020 and is for the use of groups from across the Christ Church Network of Churches. All the facilities are of an exceptionally high standard and enable us to support the Charity's aims. The Centre has access and facilities for users with disabilities.

Support of staff and activities

The Charity is primarily funded by the donations of Church members with some support from other charitable trusts for particular projects, which together enable employment of staff to work with families, children, students and adults of all ages. Financial support has also been given to provide for technical and IT systems that are required in support of all the above activities. The staff, volunteers and two part-time cleaners supervise the day-to-day organisation and maintenance of The Newland Christian Centre.

The Newland Christian Trust
Report of the Trustees
for the Year Ended 31st December 2020

OBJECTIVES AND ACTIVITIES

Grantmaking

The Board of Directors, whenever possible, consider favourably the providing of grants to those individuals engaged in the ministry work across the Network of Churches in Hull and also to provide financial support to mission partners both in the home mission field and overseas. A newly established Family Fund provides financial gifts or loans to those in significant financial need.

The Charity has received donations where requests have been made for support of specific activities. The Trustees have been able to respond positively to these requests.

Note that approval has been granted by the Charity Commission for a minority of Board Members to be salaried. This reflects the role and responsibilities of Church Ministers.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**Independent Examiner's Report to the Trustees of
The Newland Christian Trust**

Independent examiner's report to the trustees of The Newland Christian Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st December 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% Cost
Fixtures and fittings	- 20% on cost
Motor vehicles	- 20% on cost

Taxation
